### **Old Business**

A weather station was installed at the site last weekend. Thanks to all for helping.

We will continue to hold a SPARC field day the second Saturday each month. This will be an opportunity to set up equipment and mentor new hams.

The club will resume gathering for breakfast the second Saturday of the month at the City Star Dinner, 665 Lancaster Rd, Manheim at 0800.

The Make a Wish Convoy will be held but there is no need for 2 meter radio assistance.

Jason reported that Windstream goes down regularly. CPIN is up and fairly stable.

Charlie reported that he has purchased 2 umbrellas for the picnic tables. Stands to be delivered next day.

### **New Business**

The York Hamfest is planned for fall at Ellicker's Grove.

Discussion is ongoing about a fox hunt. Mike Brulo has volunteered to help organize this. It was suggested to stay west of Rt 72, include NW Lancaster – Etown, Mount Joy, Lebanon, use 2M, possibly build a kit for this activity.

Business concluded at 1924.

Mike Brulo presented an explanation of the weather station. Thanks to Mike for this information.

Respectfully Submitted,

Peg Hamm, KB3SCA, Secretary
