We will try for a POTA picnic later this year. If anyone wants to head this up, see Mark.

There was a report that our Facebook page had some “shady” profiles. Evidently Facebook changed something and anyone was allowed to post. This has been fixed, changed to “private” and administrators will delete these accounts.

The program tonight was about drones, presented by Pepper Broad who flies for Civil Air Patrol and PA Wilderness SAR. Major Skip Walls, N3JOW, assisted. 2 drones were demonstrated. Thanks for this presentation.
