

SOUTHERN PENNSYLVANIA AMATEUR RADIO CLUB

MEMBERSHIP MEETING

1715 Breneman Road

26 October 2021

Meeting was called to order around 1900.

Treasurer reported \$10,400.

Membership –three applications have been received and approved from Chris Franklin, KC3QNL, Tim Alteri, K3JTA, Doug Heilman, WJ3W. Welcome to the club.

EMCOMM – Columbia Halloween parade October 28. 13 volunteers are expected. There will be an ARES call out this Saturday morning over local repeaters. Information will be given regarding the frequency to be used.

Old Business

A Christmas party is planned for Tuesday, December 14, 7PM at the club site. You may bring something to eat to share, but this is not required. This is strictly a social event.

New Business

A guest was present at the club site. Dave, NATP (I am certain this call sign is not correct, but it was difficult to hear) was passing thru the area and stopped in to say Hi.

Meeting was adjourned.

Harry reported a tower climb last Saturday including Bill and Phil. Coax for VHF/UHF was run and antennas were mounted. Phil asked if he could put together a package that would include equipment for “self rescue” for a 115 ft tower.

Three people are schedule to test in November. VE testers will include Harry, Mike (MJN), Mike (LAV) and Jim.

Mike, K3MJN did a presentation entitled “Power Pole University” about Anderson power poles to standardize connectors. Thanks for this information.

Respectfully Submitted,

Peg Hamm, KB3SCA

Secretary
