

SOUTHERN PENNSYLVANIA AMATEUR RADIO CLUB

MEMBERSHIP MEETING

1715 Breneman Road

26 APRIL 2022

Meeting was called to order around 1900. Zoom option was available. Introductions were made.

Treasurer reported a quiet month. One new membership pd, \$100 recycling. We will have sanitation service from Walter's Service as Red Rose Sanitation has retired/sold. Rates will be the same.

Membership –One new application has been received, Dan Ferrell, KA3AD. Voted in as member. Welcome, Dan.

EMCOMM – Lancaster ARES is active with nets the first and third Tuesday of the month at 2030 on N3FYI, 145.310. Meetings are being held the third Wednesday of the month at 771 Greentree Road, Elizabethtown, PA 17022. Mount Joy Twp Forest Fire Station (Station 93) starting at 1830. Exercise April Towers was conducted Saturday, April 23 to determine contact with Lancaster repeaters and various township and boro locations. Lancaster ACS will be staffing EOC's for the Peach Bottom Drill to be held Tuesday, April 26 evening. Contact Dan Boone, boone.daniel.a@gmail.com, KB3ZMB.

Old Business

Club picnic September 11, same location as last year.

York Hamfest, April 30. We will have a stand, Mark would like more volunteers.

Activity suggestion – remote operating.

New Business

Red Rose had a repeater go down. It may happen to K3IR. A Gentleman's agreement was made between Red Rose and SPARC to have access to each other's repeaters if this happens. There was agreement among the members. If we are using Red Rose repeater for and activity, notify Ralph if possible.

Mark did a presentation for Mike's radio class along with Ralph (Red Rose) and Ken Bechtel (Lebanon). Mark did not have pens to give out. We will check into this.

We have a Yeasu FT8 50 for sale, along with antennas and various parts.

A request was made for volunteers to help load equipment to be taken to auction the weekend of the 20th. If interested, contact Jason, N8WXZ.

Mark mentioned a job opening at PEMA for a person to set up large commercial radio systems. Check PEMA website or contact Mark for more information.

Business meeting was concluded at 1745 followed by a presentation by Mike on "Rainy Day Project" doing an inventory of your radio items. Good thoughts. Thanks Mike.

Respectfully Submitted,

Peg Hamm, KB3SCA, Secretary

SPARC MEMBERSHIP MEETING
